# In Schools

Brahma Kumaris under Kalp Taruh, have collaborated with the local educational institutions and have had many plantation drives. In doing so, helping today's youth be responsible towards themselves as well as the environment.

# In Colleges

With colleges and Universities collaborating with the local Brahma Kumaris centres, are encouraging teachers/faculties and students to plant a sapling and register it on the Kalp Taruh mobile app. Thus, helping mould the future and in doing so creating a glorious India.

# In Spiritual Places

Kalp Taruh also brought people from all faiths and traditions together for plantation. They showed solidarity in the duty towards restoring nature to its original beauty.

# Outdoors

There is no dearth of space when there is determination. Plantations have been carried out indoors and outdoors. Everyone is utilizing their chance to repay Mother Nature.

# In Offices

Brahma Kumaris under Kalp Taruh, have collaborated with many corporates and have had many a plantation drives. In doing so, all have fulfilled their Corporate Environmental Responsibility (CER) and Corporate Social Responsibility (CSR).

# Police Force

People of all professions are getting involved. The Indian Police Force have given their inputs to empower themselves and the environment. Thus maintaining public order and being environment friendly.

# Womens & Children

All age groups are included. Everyone cares for the planet and are ready to fulfill their responsibility; with great enthusiasm they have planted a sapling. All are ready to restore nature to its original beauty.

# International

Countries in all the continents are involved. Kalp Taruh has crossed all boundaries and made the globe one family that is ready to beautify the planet once again.
