# Collaboration with AP Govt (BCDE)

— Kalp Taruh Project —

---

---

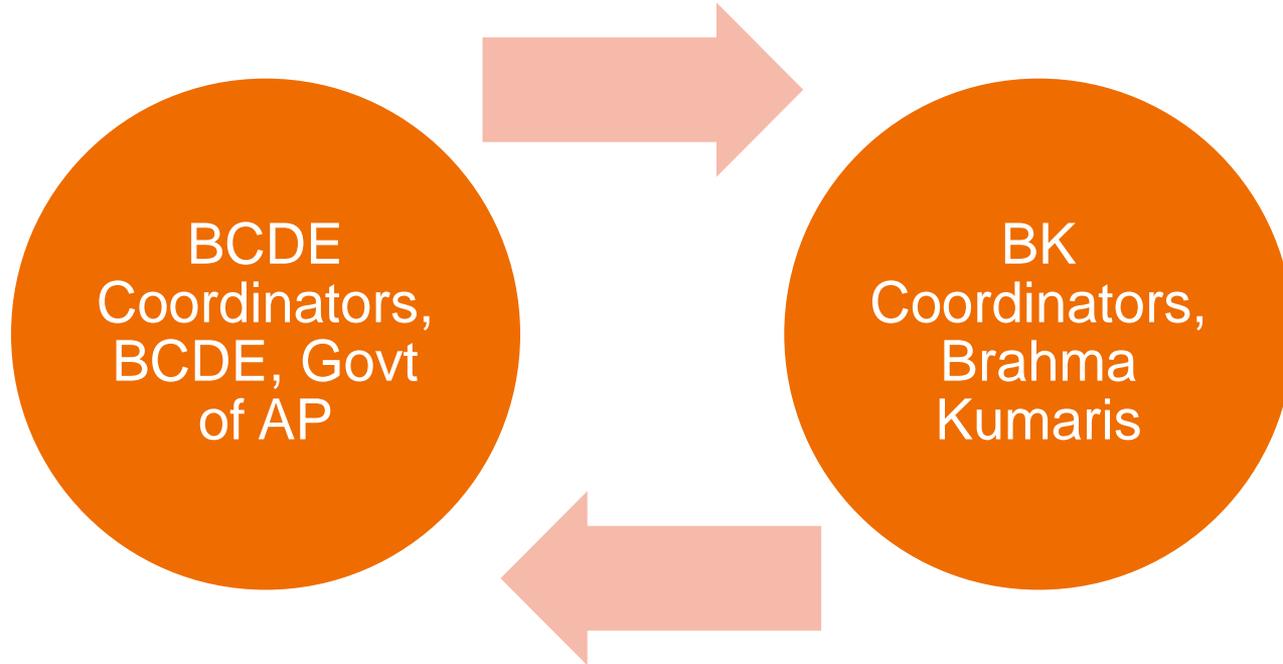

# Goals

- **Plantation begin date: 1st November 2022** - Andhra Pradesh Formation Day (ఆంధ్రప్రదేశ్ అవతరణ దినోత్సవం) by Hon'ble Chief Minister of Andhra Pradesh
- **Phase I** - Engaging more than 1 Lakh students and faculty from 100 Universities/Colleges to plant one tree each between **1st November 2022 to 30th November 2022**.
- **Phase II** - Extend the initiative to rest of the Colleges in Andhra Pradesh to engage all students and faculties during the remainder of the **year till 1st November 2023**.

# Collaboration

- List of universities/colleges in Andhra Pradesh ready to do Kalp Taruh project to be provided by BCDE in phases
  - **BCDE coordinator** for each university/college is identified by BCDE
- Nearby BK meditation center to be identified with the guidance of Seniors
  - **BK Coordinator** to collaborate with university/college to be nominated by the seniors

## Collaboration (contd.)

# Role of BCDE Coordinators at Universities/Colleges

- Identifies **land** for plantation within or nearby universities/colleges
- Informs **students** to participate in the plantation and periodic sustenance activity
- Identifies the type and quantity of **plants** to be planted, and inform Government nurseries
- Provides **protection, facilitate water source** to the identified land by directly collaborating with local NGOs or through Brahma Kumaris
- Collaborate with Brahma Kumaris and finalizes the **plantation day**

# Role of BK Coordinators of Brahma Kumaris

- **Transport** the saplings from Government Nurseries to the identified land
- Conduct **Kalp Taruh awareness session** at University/College
- Collaborate with BCDE coordinators and finalize the **plantation day**
- Help with **plantation** on the plantation day
- **Periodic motivation sessions** for students at University/College

# Engaging Students (Contd.)

- **Periodic sustenance** programs to help monitor the progress of plants and to achieve behavior changes and care towards nature
  - BK Coordinators to check with BCDE coordinators to finalize frequency
- **12 Topics** are identified around Values
  - Nurturing Nature - An inside out approach
  - Power of Consciousness
  - Problem Solving Peaceful Way
  - Power of Peace
  - Healing Relationships with Love
  - Power of Love
  - Emerging Stronger than Challenges
  - Power of Tolerance
  - Humility over Ego
  - Power of Humility
  - The Greatness of Compassion
  - Power of Compassion

# Useful Notes for type of plants

- 21 suggested plants for Andhra Pradesh
  - Refer the PDF for the list of plants
- Plants that support bio-remediation could be used to reduce the pollution levels
